

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over 60 years combined experience with effectively designing, developing, marketing, manufacturing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to offering top quality and new design concepts in order to meet the diverse requirements of their customers.

TREK Cleaning Machines continually provides fresh design ideas as shown in their product development. They enjoy providing products which energize both their dealers and their partners and offer production gains to their clients.

The team at TREK enjoys handling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' requirements and skills together with their comprehension of cleaning applications, together with owners' strong desire to dramatically lessen cost through productivity gains.

The workers at TREK and their dealer-partners are strongly committed to having both parts and technical support available when it is needed. Their high service dedication is amongst the core values in their customer service. Keeping their clients' cleaning machines running and ready daily is top priority. The company's top of the line technology delivers dependable equipment that eventually reduces your cleaning expense. The service, the product and the price all work as one to make them an industry leader.
